

RebaS

Rechtsberatung am Samstag

RebaS stands for "Rechtsberatung am Samstag", which roughly translates to "legal consultation on Saturdays". As it is my intent to leave a better world for the future, I provide legal assistance on two Saturdays each month. The consultation is provided at low costs (CHF 20.00 for 20 minutes; up to one hour).

You may send me your request as well as any documentation in advance by email. This way, I can ensure that I am well prepared to address your concerns.
